President's Message

The 2019 Country Greens high season is going full blast. With wonderful warm weather and new lounge chairs, the pool area has been a great place to relax, cool off, make new friends and renew our existing ones. Activities are generally well attended, and a positive vibe seems to exist in community.

The vote of confidence recently given the board is greatly appreciated. On behalf of all its members, I can pledge to you that we will all use our best judgement in our deliberations and decision making. We are always open to suggestions. They should be put in writing with an explanation, if possible. Please remember, our obligation is to make decisions, which the majority of the board believes is in the best interest of the community. Since we are a homeowners' association the board functions as like a community government and must follow Florida law. All members take their responsibility seriously and without malice. We often disagree on the best course of action, but through a willingness to listen and discuss our differences, we usually find common ground.

On a personal note, Lynne and I would like to express our gratitude to our friends and neighbors for the expressions of concern and assistance as we cope with her recent surgery and initial phase of recovery. We know, we are very fortunate to live a community of loving and caring people. Your continued prayer and well wishes will make recovery much easier. The Country Greens community is blessing.

Bob Freedman, President, mrfreed@aol.com

PICKING UP AFTER YOUR DOG IS NOT JUST BEING POLITE

Dog poop carries millions of bacteria, parasites, pathogens and viruses that can be transmitted to both other animals & people. How would you like it if you or your dog tracked it into your home or car? NO? Then pick it up!! We are so fortunate that our community allows our beloved pets to live here. Please do not ruin it for the rest of us.

Inspect your home regularly.

Does your fence or driveway need to be repaired, pressure cleaned or painted? Are your gutters clean? Are your screens torn and is the roof look like it's in good repair. All issues need to be addressed prior to hurricane season and at the end of the rainy season.

By working together we make our

PALM BEACH COUNTY FIRE RESCUE BATTALION 4 CHIEF KIMBERLY HUDE announced a new "resilience" program in the development stage that would provide training for groups of residents in each community who would serve as an information pipeline regarding the status of residents in their neighborhoods during an emergency situation such as a hurricane.

COUNTRY GREENS SUPPER CLUB

The inaugural season of the newly formed Country Greens Supper Club is complete. The objectives of the Supper Club were simple: to offer the community another venue to gather with friends to enjoy good food at a reasonable price in a relaxed environment. Based on the fact that each of the three dinners sold out and the excellent feedback we received from attendees, it is safe to say our objectives were met.

We thank each of you that assisted in the preparation of the dinners and especially those residents that supported the dinners. We look forward to continuing the Supper Club next year.

SAD RECIPE

I didn't have potatoes, so I substituted rice
I didn't have paprika, so I used another spice
I didn't have tomato sauce,
I used tomato paste.....
A whole can not half a can-
I don't believe in waste.

A friend gave me the recipe,
She said you couldn't beat it.
There must be something wrong with her,
I COULDN'T EVEN EAT IT!!

I recently found this "favorite recipe" in a cook book given me by a special girl
friend back in 1967. It is one of my favorites!!

ATTENTION SNOW BIRDS!!

Before you close up your villa/house for the season...please make sure that all outside objects that could become threat in high winds to the property or to the wellbeing of our permanent residents, are placed in your porch or garage!

If you do not clear the outside of your property of such potential missiles, the hurricane preparedness committee will assume that you mean to discard these objects, and they will be placed on the curb outside your villa/house for trash collection.
